

Angels of Love & Light

**At times of great need for Humanity
Creator and the Divine Realm
Enable Heavenly Messengers and Guides
To descend to this Earthly 3D world
In aid of our Higher Ascension**

**Now is such a time and place
Many have come to our aid
Angels of Love and Light
Who's Light and Love transcend All
In Service to the Creator and Humankind**

**Of those who have now come to Earth
Two have come many times before
Beaming infinite waves of Love and Light
To the World and to all Life
Together as One**

**Two Souls most bright
Angels of Love and Light
For Love of the Creator, Humanity and Planet Earth
They have come to Show the Way
To Humanity's Path of Divine Return**

Rejoice!!
