

ONE EARTH, ONE WORLD

c David Woolfson 1998

One Earth, One World
Humanity has come so far

Our Earth, Our World
Our destiny is in the stars

One Earth, One World
Blue and green our precious jewel

Our Earth, Our World
A home to all life so beautiful

Chorus:
One Earth, One World
Living in harmony
Our Earth, Our World
For all eternity

One Earth, One World
Created out of cosmic dust
Our Earth, Our World
Our treasure and our sacred trust

Chorus:
One Earth, One World
Living in harmony
Our Earth, Our World
For all eternity
Living in harmony

For all eternity...

(Repeat)
