

The Clarion Call Invocation

**Give heed to the *Clarion Call*
Bringing bright hope to the People
Of healing Divine and Redemption
Renew our Faith in our Creator**

**Rending the air with its message
A portent of Heavenly Salvation
Summoning Humanity to our Creator
To render Homage and Devotion**

**Renounce our sins and transgressions
False aims and vainglorious striving
Infuse in our hearts a New Spirit
To build a New Earth and New Heaven**

**Sounding its message of warning
A cry of alarm and awakening
Urging us to work with our Brothers and Sisters
To combat the ills that beset Humanity**

**Let us accept the challenge to triumph
Over forces of wrath and destruction
Remove from our midst crime and warfare
All misdoings, greed and contention**

**Return to our Creator and establish
A Kingdom of Peace for all People
In the light of Thy Spirit
O Divine Creator shall we Walk**
